Dedication

The Graduating Class of 2004 and the 2004 Yearbook Staff are pleased to dedicate this year's Proctorian to

Mrs. Virginia Cameron

Now...

Mrs. Cameron is a storied English teacher. She has been inspiring her Proctor students to find a love for literature for twenty-seven years. She chooses books to share with students that are near and dear to her heart. She is always kind and generous with her time and never turns students away. Whenever a student does well on a test or quiz they're rewarded with a sticker which can be found decorating notebooks, three-ring binders, and planners. Her classes are always balanced with reading, spelling, vocabulary, chill time, good humor, and of course the dreaded grammar. Mrs. Cameron has a gift for making students understand difficult concepts.

There is always a wonderful air of mystery surrounding Mrs. Cameron. If she were to write a book of memoirs, it would be a best seller among her current and former students. Her life is full of interesting events and sometimes during class she'll share little tidbits; for instance she once lived in Paris, France.

The senior class voted unanimously to dedicate this yearbook to Mrs. Cameron, something which has never happened in recent history. The senior class agrees there isn't a more deserving teacher. Thank you Mrs. Cameron... we'll carry your teachings with us.

Membership in the Redfield Proctor Chapter of the National Honor Society is the highest honor the faculty can bestow upon students in grades 11 and 12. In order to be eligible for consideration a student must demonstrate excellence in scholarship, leadership, service, and character. The group completes both individual and group service projects throughout the year.

The Proctor High School Student Council serves as a link between the student body and the administration. Members are elected by their classmates. The Student Council plays a role in the community by providing an annual senior citizen's dinner and by organizing food drives. They also sponsor the Homecoming Dance and other school activities. The Student Council is advised by Mr. Mott.

Wendy's Heisman Award

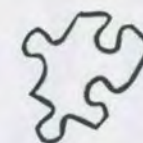

Erica Manning-Hickey and Kevin Canty received the Wendy's Heisman Award, which recognizes students for their academic achievements, athletic accomplishments, and community service.

Governor's Institute

Sam Parker attended the Governor's Institute of Science and Technology, a nine-day summer program during which students explore the many branches of engineering, mathematics, and computer science.

Boys State

Each year the American Legion Auxiliary sponsors Girls and Boys State. This year, Michael Harger represented PHS at Boys State. Delegates are selected based upon scholarship, leadership, character, service, and interest in government. They participate in a week-long mock government at the town, state, and nationwide levels. It is a great experience and chance to meet new friends from all over Vermont. This year no girls attended.

Members of the U.S. History Club plan an annual trip to New York City. This year they will travel to New York for three days. While there, they plan to see a Broadway play, attend the circus at Madison Square Garden, visit the Empire State Building, and tour the United Nations. Students will also have the opportunity to explore other sites in the city. For many this will be their first trip to New York. The advisor is Mrs. Sherman.

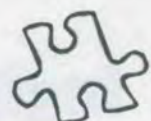

Rutland County Youth Council

Missing From Photo: Stephanie DeBlasio, Ann Horner

The Rutland Youth Council is a group of teens dedicated to promoting an alternative to drugs, alcohol and intolerance. They encourage teens to live a positive drug free life-style. With funds provided by OVX, students created a TV commercial supporting the "Eight out of Ten" anti-smoking campaign. This year they received \$20,000 to distribute to individuals or groups that promote healthy living.

Peer Leaders

The Peer Leaders are committed to promoting a healthy life-style at Proctor High School. The group's focus is on the prevention of drug, alcohol, and tobacco abuse. This year the Junior High Peer Leaders attended the Green Mountain Middle School Initiative/VKAT Conference, participated in Operation Storefront and two local smoke-free projects. The Senior High Peer Leaders attended the Governor's Youth Leadership Conference and Green Mountain Prevention Projects Conference, and are held a day-long retreat centered on harassment issues in school.

The Concert Band includes grades 9-12. The band performs a holiday concert and a spring concert each year. The band also marches on Loyalty Day and Memorial Day, in the All-State Parade, and the Halloween Parade. This year we defended our titles as "Best Costumed Marching Band" in the Halloween Parade and won with our Rubber Ducky theme. The students and the parents did a great job at putting everything together.

Middle School Band

The Junior High Band includes grades 7 & 8. The band marches with the high school band in four parades a year. The band also performs two concerts.

The Jazz Band performs music from Duke Ellington, Herbie Hancock, Louis Armstrong, and many more. The band performs at the holiday and spring concerts with the other music ensembles and has its own performance in the spring. One of the highlights of the year is going to Burlington for the day in March where they perform with other high schools at the Flynn Theater. There they get a chance to hear other schools and to be observed and judged by experienced jazz musicians.

Middle School Jazz Band

This year, for the first time, we are offering jazz at the middle school level. Students rehearse every Tuesday morning at 7 A.M. This is an introduction to jazz, blues, funk, and Latin styles of music. Students learn the basic skills they need to be able to improvise. The Middle School Jazz Band will perform many times throughout the school year.

High School Chorus works on various styles of music from different cultures and historical periods. The Chorus prepares throughout the year for their performances in the school Holiday and Spring Concerts. Members are encouraged to audition for District, All-State, and All-New England music festivals.

High School Rock Band

This year we have three returning members plus one new member. The Rock Band plays a wide variety of rock music ranging from Santana to Godsmack. A few concerts and school tours will be performed throughout the year. We will also be returning to the recording studio.

Troy Ault, Michael Brough, Jordan Gusky, Jason Corbo, Instructor Mr. Audet

Middle School Rock Band

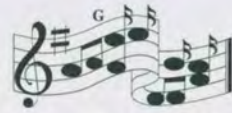

Hillary Tabor, Adam Falco, Richard Maass, Sam Davine, Jordan Snow, Instructor Mr. Audet

By popular demand the middle school has a rock band. The band gets together every Thursday after school and during lunch. They are learning rock music from many different genres. One of the highlights of the year included performing a great version of "Strawberry Fields" by the Beatles with help on the violin by Becca VanHorn, and vocally by Kristen Leupold, at the United Way Really Big Show at the Paramount Theatre.

Women's Choir

Women's Choir is a select vocal ensemble that sings a variety of songs arranged for the female voice. They sing a wide variety of styles of a more demanding performance level. They perform at the school Holiday and Spring Concerts and by request at community events.

Mural Painting

The mural painting club, started last year and advised by Ms. Wolgamott, is having another productive year. Already three new murals, painted by students last spring, grace the halls. This year's club is presently working on a large nature scene to be placed in the hall of the science wing. These beautiful paintings brighten the hallways as well as portray the talents of the artists.

Phantom Theatre

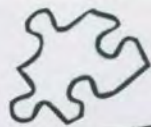

Back Row: Skylar Wilson, Becky Beyette, Becca VanHorn, Cristina Bain Front Row: Emmie Litts, Kayla Toher, Heather Moore, Sam Parker Missing From Photo: Nicole Cavacas

Drama this year has been an especially creative year. Not only was the Phantom Theatre's production student written, it was student directed also! "Scene From the Left", a politically satirical play written by Becca VanHorn, was performed for the Proctor community and then One Act Festival at Rutland High School. It was well received at both and the students pulled off the play wonderfully with such a small group. Whether on stage or behind the scenes, the group worked together to accomplish the many tasks – from set and costume changes to background music and lighting – that made the play a success. Drama this year provided students interested in the arts with an opportunity to express themselves as well as learn the ins and outs of all the aspects of a play.

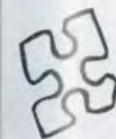

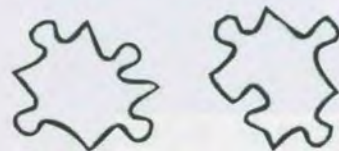

German American Partnership Program

While their families back home sweltered in the 90 and 100 degree heat of late June, twelve German students and two chaperones participated in the sixth exchange with students who attend the Friedrich Schiller Gymnasium, a secondary school located in the city of Weimar in what was formerly East Germany.

Each member of the visiting group stays with a host family. Though most of each working day is programmed for students to visit classes at the school followed by a local tour, evenings and weekends are spent as a member of the host family, doing what they would ordinarily do. They played volleyball and basketball, went bowling, and everywhere they went, they shopped. Toward the end of their first week, Troy Ault and Jason Corbo were invited to visit a local radio station where they asked and answered questions on the air.

In addition to sight-seeing in and around the city of Weimar, students travelled to Munich, visited castles, gardens, and cathedrals, toured the salt mines in Berchtesgaden, and danced to the *Sound of Music* in hills of Salzburg. "The hills were alive..." with the sound of Proctor students.

Chinese Students Visit Proctor

In January of 2004, the high schools within the county hosted 16 Chinese students, their principal, and two of their teachers from Qufu (the home town of Confucius). Two Chinese girls stayed with Nicole Cavacas and Emmy Litts. During their stay, the students participated in several activities that included: attending classes in grades 7-12, sporting events, skiing in Woodstock, visiting the Statehouse in Montpelier and Hildene in Manchester, and attending a formal reception at the Grace Congregational Church with host families and all participants of the program.

For many, the highlight of the visit was gathering in the gym to watch Mr. Bloodworth play ping pong with the assistant principal from Qufu, a champion in his league back home.

Stacey McCullough and Jill Corbo, whose trip to China in April 2003 was cancelled due to the SARS outbreak, will have the opportunity to go this April. The other group, including Nicole Cavacas, Emmy Litts and Mrs. McCuin, will be going in June.

Exchange Student @ PHS

PHS welcomes Liliya Shchepilova to our school for the school year. She has quickly carved out a niche for herself in our school. In her own words...

I was so lucky this year to have a chance to visit the USA, attend a real American School, travel, and get acquainted with lots of people. My program is called Future Leaders Exchange (FLEX), and I think it is wonderful. It's main goal is not only to get students from post Soviet nations to study in an American school, but to eliminate the stereotypes and to maintain peace between countries. My personal goal was to acquaint American people with my own country, Ukraine, because not many of the people I know here even knew where my country is situated. But now I think many people in Proctor know the basic facts about Ukraine. The facts which surprised Americans about Ukraine were that we study six days a week, don't have malls, and all subjects are required at school. The facts that surprise me about Americans are that they are all nice to you, are very honest, and have a lot of rules, like at school or in the family.

I think it has been a really good experience for me because people judge countries by their governments or TV images. When I go home I will say "America is not only McDonalds. Americans are not obsessed with materialism. I have friends there and people who care about me." And I will never say who a typical American is because I can't say who a typical human is!

During spirit week, basketball fans had 4 chances to put on their spirit beads and show their school spirit as they cheered on our teams. The varsity girls put forth a great effort and the boys came away with an outstanding win over West Rutland.

Karaoke was brought back with a BANG and it was a big hit! Other new events this year included volleyball and a rope climb. Warmer weather and lots of sunshine made the outdoor games fun. Those that missed out on the karaoke fun during the day got to see some of the unforgettable highlights at the end of the dance. No one was surprised when we heard that the senior class came out with the victory *again!* Their motto was "Git 'er done!" and they did!

Put our puzzle together!

Varsity Boys Soccer

After a heartbreaking loss in the play downs of last season, the varsity boys rebounded this season in a magnificent fashion. With a record of 11-1-2, including thrilling victories over Wilmington, Arlington, and rivals West Rutland at Homecoming, the phantoms ended the season in the best way possible. They claimed the Division IV State Championship (1-0), defeating Wilmington and ending the Warrior's 2-year reign. They claimed the MVL crown for the second year in a row and brought home the little brownjug for the first time since the 2000 season. The team will miss graduating seniors Troy Ault, Shaun Beyette, Kevin Canty, Jason Corbo, Kenny Crowningshield, Josh Dobart, Michael Harger, Jared Manning, Matt Parker and Will Spanos.

Varsity Girls Soccer

The Lady Phantoms produced a record of 11-6-1 in a roller coaster of a season that included everything from a third place tie in the Black River Tournament and an incomprehensible loss to OV, to a trip to the State Championship game. During the season they produced 30 goals against their opponents' 16 and with determination the Phantoms plowed their way through the post-season tournament, defeating 2nd seed West Rutland along the way. In the championship game they were defeated by the number one seed Wilmington Warriors. The team will miss graduating seniors Lauren Finnigan, Stefanie Gray, Erica Manning-Hickey, Mallory McDonnell, Megan Parker, and Kristina Salerni. Coach Skjetne will be leaving after 11 years of coaching the lady phantoms. He too will be missed.

JV Girls Basketball

For the first time in several years, the JV girls team had just the right number of players - sufficient to run practices but not too many to provide plenty of floor time for each player during games. And there were plenty of games - the team completed an 18 game schedule! They were coached by Rob Larson, in his second season at Proctor.

Sports Awards

The Buzzell-Gallus Award is given to two soccer players who show team sportsmanship, unselfish contribution to team success, love of the game, and improvement throughout the season. This year's recipients are Troy Ault and Erica Manning-Hickey.

Stefanie Grey, Kevin Canty, Erica Manning-Hickey

Lions Cup Recipients

The Buggiani Award is given to two basketball players who demonstrate outstanding play, leadership, and sportsmanship on and off the court. They exemplify the true spirit of interscholastic athletic competition. This year's recipients are Kristina Salerni and Kevin Canty.

Varsity Boys Basketball

With a season record of 20-4, the Phantoms claimed the Division IV State Championship. Along the way, they produced one of the strongest men's records in decades eclipsing that of the 2000 team that won Proctor's last state title. Possessing an unusually deep bench, there was always someone on it ready to fill in where others were being denied. This depth challenged every offense and defense encountered, subduing most. In getting to the crown, the Phantoms defeated traditional rival Wilmington 3 times. The true icing on the cake, however, were the 3 wins over arch rival West Rutland, the last (and most important) in Barre Auditorium in the state championship game. The Phantoms were coached by Mr. Dick Wilcox in his fourth year as head coach. He was assisted by Mr. Brian Finnigan. The team will miss graduating seniors Shaun Beyette, Kevin Canty, Kenny Crowningshield, Josh Dobart, Reid Garrow, Michael Harger, Matt Parker, and Brian Perkins.

Varsity Girls Basketball

This season was another tough campaign for the ladies, ending in six wins against fifteen losses. The record was an improvement over last year's, though. Along the way, they qualified for the championship game in the Black River Tournament and were the first ladies to hostess the newly created MVL-CVL Challenge for Ladies (at the College of St. Joseph). They defeated Black River and Whitingham twice each in their own division, and one game each from Leland and Gray and South Royalton, both D III schools. The ladies' season ended in Canaan in the first round of the playoffs. The team will lose six of its eight members to graduation in June: Lauren Finnigan, Amber Garrow, Stefanie Gray, Erica Manning-Hickey, Megan Parker, and Kristina Salerni. The ladies were coached by Mr. Paul Dunchus. 2003-2004 marked his second season with the Lady Phantoms.

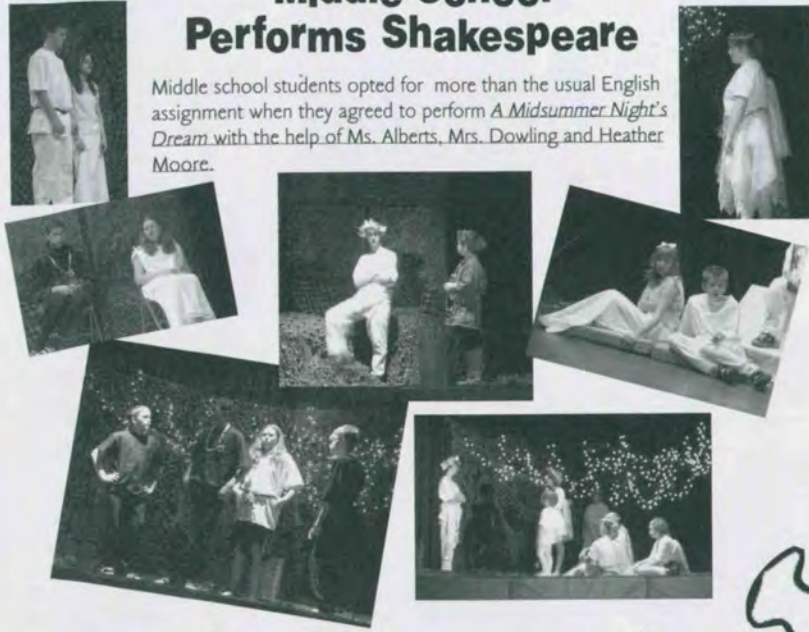

Coach: Paul Dunchus, Stacey McCullough, Lauren Finnigan, Stefanie Gray, Amber Garrow Front Row: Kristina Salerni, Megan Parker, Jenna Coughenour, Erica Manning-Hickey

Middle School Performs Shakespeare

Middle school students opted for more than the usual English assignment when they agreed to perform *A Midsummer Night's Dream* with the help of Ms. Alberts, Mrs. Dowling and Heather Moore.

Honoring Someone Special

Proctor lost one of its most memorable teachers this year. We'll always remember Mr. Ward; he touched our lives in many ways. He was a teacher, a colleague, a mentor, and a friend to so many of us. He will always remain in our hearts forever. Thanks Mr. Ward. May we do you proud!

Denim Day

Teachers put on their denim in order to support Breast Cancer research.

PHS Attends Phantom Fall Festival

The dunking booth sponsored by the senior class was a big hit and a lot of fun. Maybe it had something to do with who was in the booth!

Read Across America Day

Honor Society students took time out of their school day to read to Proctor Elementary School children on Dr. Seuss's birthday.

Boston Trip

Students in U.S. History and Senior Social Studies Seminar travelled to Boston with Mrs. Sherman and Mr. Mott to visit the Kennedy Library and the Omni theater at the Museum of Science.

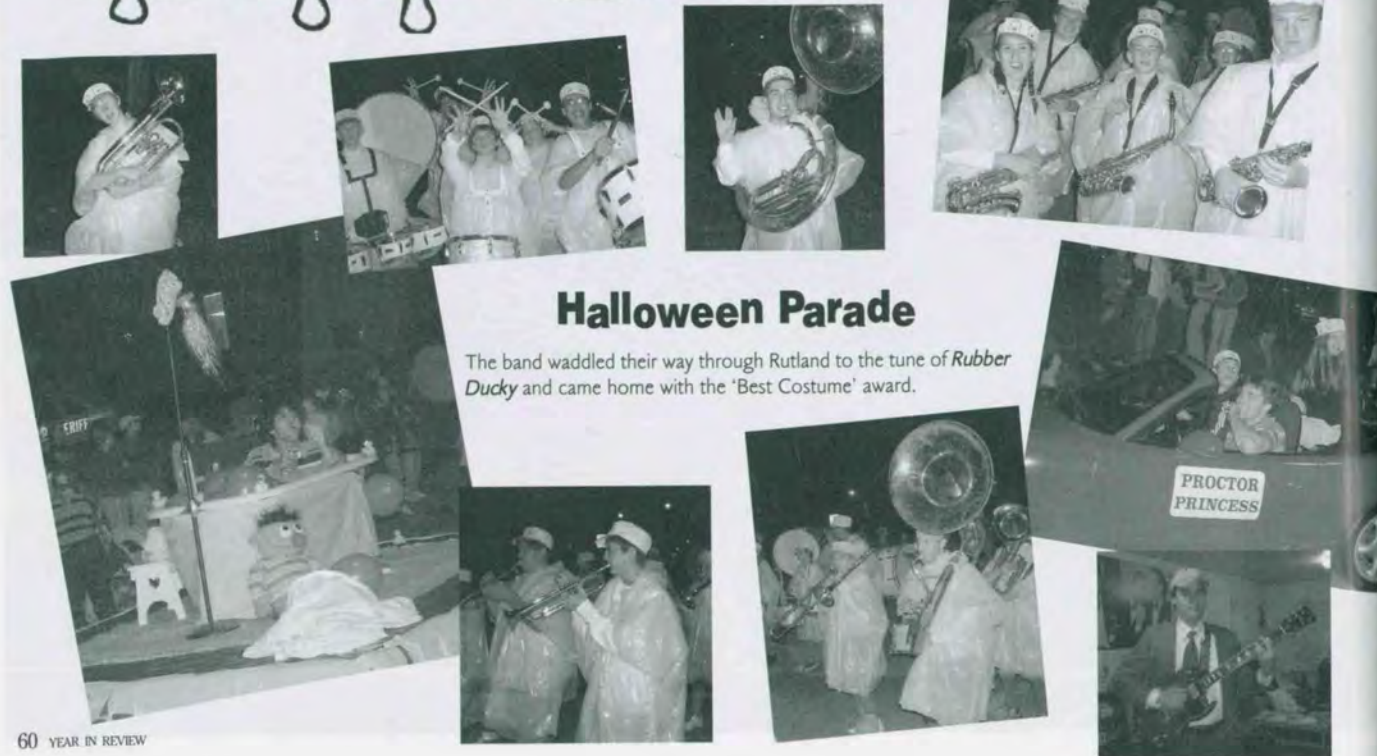

NHS Induction

Alumni Mark Candon (Class of '71) shared memories of growing up in Proctor and challenged the honor society inductees to strive to reflect the 4 pillars of the NHS; leadership, scholarship, character and service.

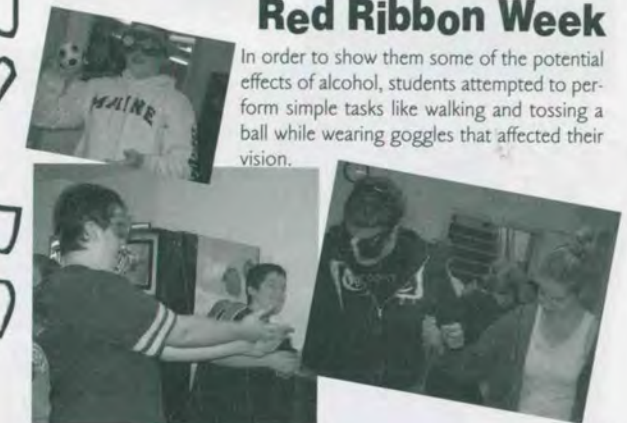

Halloween Parade

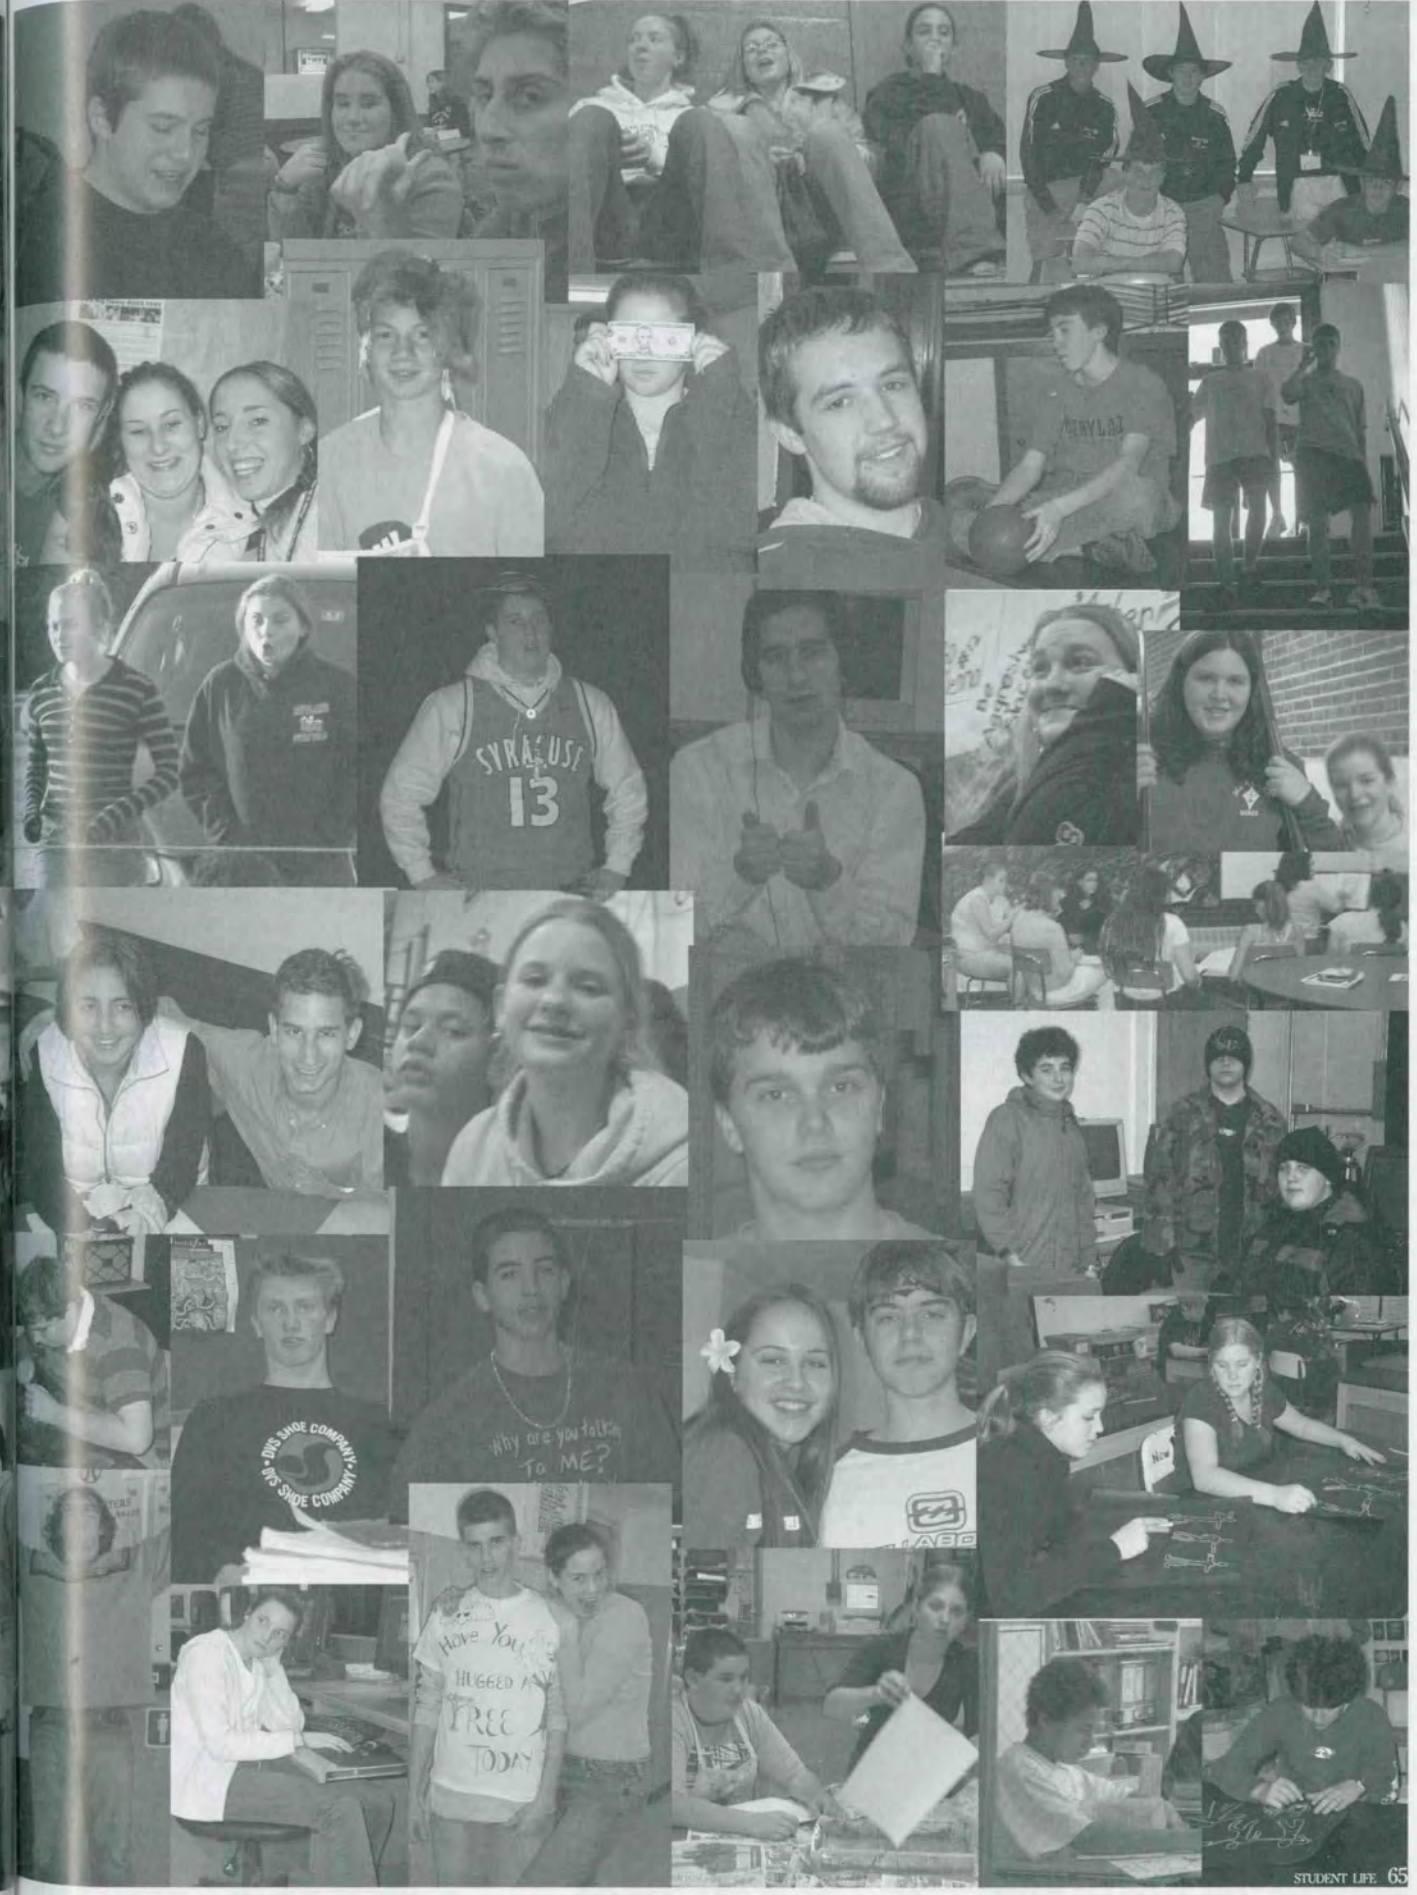

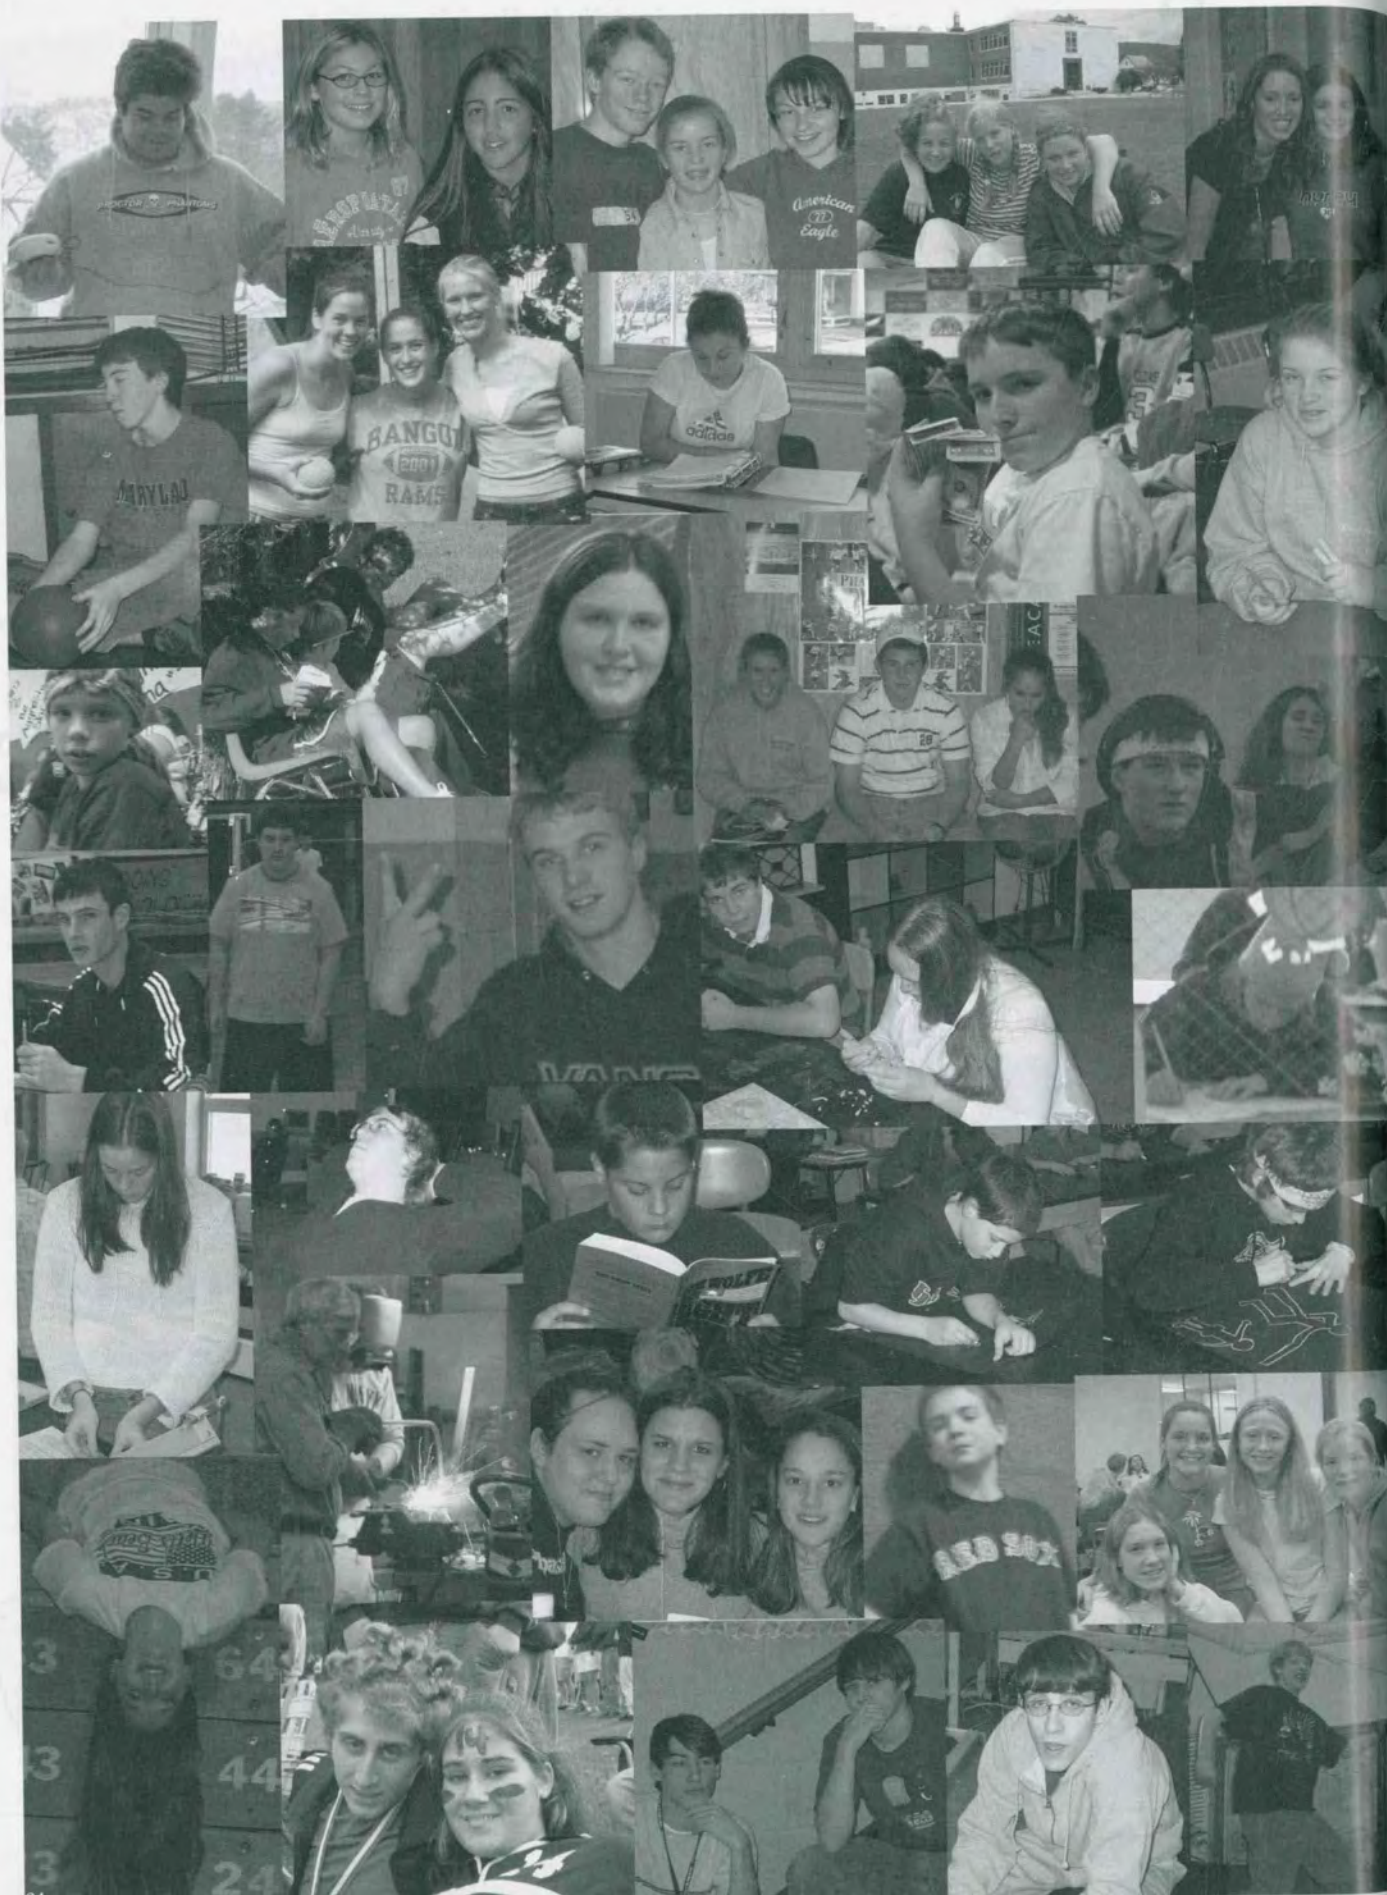

The band waddled their way through Rutland to the tune of *Rubber Ducky* and came home with the 'Best Costume' award.

Red Ribbon Week

In order to show them some of the potential effects of alcohol, students attempted to perform simple tasks like walking and tossing a ball while wearing goggles that affected their vision.
